1 to 1 Discipleship

If the mission of the church is to make disciples, how do we do that? What does it look like? How do you disciple those who are seeking, those who are recently converted? How do you disciple the young believer, the mature believer, those in crisis? How do we develop a church culture that is geared to discipleship, to training people up to disciple others?

In this very hands-on seminar we will seek to answer these questions and help one another be better disciple-makers through 1 to 1s.

Cost: 10pp including lunch
