

SUSSEX GOSPEL PARTNERSHIP

A Partnership of Bible-centred churches in Sussex working together to train leaders, strengthen and plant churches, and advance the gospel.

EVANGELISM

Our Churches are in Gospel Partnership to work together and encourage one another in presenting the good news of Jesus Christ to people attractively, persuasively and unashamedly.

TRAINING COURSES

For any who want to deepen their faith and be equipped to serve, the Partnership provides opportunities for men and women to grow in their understanding and ability to share the word of God through Bible-centred training courses.

MINISTRY TRAINEES

Aiming to help raise up the next generation of church leaders and gospel workers, Partnership Churches are supported in offering Ministry Training Schemes. Trainees learn about gospel ministry as part of a local congregation through one or two years of service, discipleship and training.

EQUIPPING LEADERS

Church Leaders are equipped through regular conferences, seminars and other training events. Short courses on a variety of topics are also available to Partnership Churches.

SUSSEX YOUTHWORKS

The Partnership aims to encourage and support biblical youth and children's ministry across Sussex through training events for leaders; enjoyable, Bible-centred events for older teenagers; offering consultancy and promoting good resources.

MULTIPLYING CHURCHES

There are 1.5 million people in Sussex who need to encounter Christ through a loving community of his people. We work to see the multiplication of local, gospel-centred, Bible-teaching congregations through which the Lord Jesus is proclaimed and people are converted and disciplined.

SUPPORTING THE SUSSEX GOSPEL PARTNERSHIP

The regional Gospel Partnerships have been used by God to strengthen and enable gospel ministry across the country. The Sussex Gospel Partnership is amongst those leading the way in this work. It is deserving of our wholehearted support.

Gospel Partnerships have emerged as a wonderful way of expressing the unity that exists between Free Church and Anglican evangelicals, and of multiplying gospel ministry by working together. I am delighted that so many FIEC churches are part of the Sussex Gospel Partnership, are benefitting from its work and are contributing to the realisation of its vision for the area.
