'They raised their voices together in prayer to God.'

the church in Acts 4 v 24

For the church to be *a Praying Church* is the command of Christ, the pattern of scripture and essential if we are to know the power of God.

And yet the prayer meeting is often the least well-attended gathering of the church. Our prayer is that the Lord will work through our 2019 Annual Conference to change us into *a Praying Church* in Sussex. In the morning we will hear His Word preached, calling and stirring us to pray, and in the afternoon we will pray. We will raise our voices together in prayer to God for our churches and for our region

'Prayer meetings are
the throbbing machinery of the church.'

Charles Spurgeon

Our Bible Preacher for the day will be Rupert Bentley-Taylor who spoke at our 2014 conference. Rupert is known for his preaching and teaching at national events such as New Word Alive and the London Men's Convention. Formerly the Pastor of a local church, Rupert now has a UK-wide teaching and training ministry. His passion is training Christians to understand and teach their Bibles.

AFTERNOON SESSION

Praying together for Sussex

There has never been a spiritual awakening in any country or locality that did not begin in united prayer.

Arthur Tappan Pierson

Our vision as a Partnership is for a growing gospel Church in every Sussex community. This is a vision that cannot be realised without the power of God. But if we are to know His power we must follow the example of the early church in devoting ourselves to praying together with faith and earnestness.

In the afternoon session we will take the opportunity to do just that. We will hear news and stories from churches across Sussex that will inspire and inform our prayers. We will pray together for the strengthening of the churches, the progress of the gospel and the transformation of individuals and communities.

The prayer meeting...is the appointed place for the reception of power.
