

## “Come and See!”

Bible-centred training for anyone involved in teaching or leading children or teenagers

**Saturday 21st March, 2020**

9:30am to 1pm at Cuckfield Baptist Church, Polestub Lane, Cuckfield RH17 5GP

### **Children with Special / Additional Needs**

Almost 15% of children in England have special educational needs (SEN), but only 20% of these are adequately diagnosed and catered for in the schooling system\*.

If we are serious about teaching the Bible to children, then we must carefully consider how to meet the various needs of kids with SEN in our churches and church-run groups. Our goal is to maximise their ability to understand who Jesus is and what it means to follow him.

Rory Bell will be helping us to think through a strategy for providing an inclusive Bible teaching programme for all children regardless of their particular educational challenges.

*\*Department of Education - Statistics (January 2019)*

Rory works for TnT ministries (publishers of ‘Mustard Seeds’ resources), to resource and equip people to teach the Bible to children and teenagers more faithfully, more creatively and more effectively. He teaches across the UK and internationally and we are glad to welcome him back to ‘Come and See’.

**Cost: £8 each, including refreshments**
