# Discover the joy of sharing God's Word

Join the **Sussex Gospel Partnership** training afternoon via Zoom

The Word One to One is an easy way to unpack the words of Jesus with your friends, presenting John's gospel in an accessible format with helpful notes.

Co-writer Richard Borgonon will share with us how reading God's Word one-to-one has transformed his life and his witness, and give us practical help to get started ourselves - even during lockdown!

You're invited to join the Sussex Gospel Partnership training afternoon via Zoom for this inspiring session - more details at [sussexgospelpartnership.org.uk](https://sussexgospelpartnership.org.uk)
